VOLVO WILD BAR

- ✓ **ROBUST CONSTRUCTION**
- ✓ **4 POINT ANCHORAGE**
- ✓ **REDUCES CAB DAMAGE**
- ✓ **EASY TO FIT**
- ✓ **LOOKS GREAT!**

The Wild Bar which is FUPS* friendly and only weighs 57kgs allows you to have a good looking bull bar that compliments the appearance of your truck without compromising any of the safety features built into the vehicle.

The unique four point mounting system (hinged lower / eye bolts upper) provides the strength of a much bulkier bull bar without looking out of place.

FUPS* COMPATIBLE
*FRONT UNDER-RUN PROTECTION SYSTEM
